1. Soviet troops have recently been used to assist KVP personnel in travel control measures on the long-distance and suburban trains leading into Berlin from the north.
2. On 15 April, in Schoenfliess, the Soviet troops were in field-green uniform. In Bernau, on 15 and 16 April, the KVP inspection teams were accompanied on the train by soldiers in field-green, but the second check in the suburban train was made by regular border troops with blue pants and caps with red piping.
